To Whom It May Concern,

In August of 2009, a fire destroyed a massive portion of our manufacturing facilities. Needless to say, the devastation was enormous, both physical and psychological. At the time, we really had no idea which way to turn. Amongst all of the chaos of those first few days, we were contacted by Mr. Sompong Virakananon and offered the services of Insight Advice Ltd. We felt we could not handle the situation ourselves and we did enlist the services of Insight Advice team.

Mr. Joram Hirsch , Mr. Sompong Virakananon and Mr. Poranai Jettananon immediately took over virtually every aspect of our claim. They reviewed our policies, set up meetings with our insurance company, and began to quantify our losses. This allowed us to focus almost all of our efforts on trying to restore our business to the best of our ability rather than having to spend all of our time handling to logistics of filing and insurance claim.

Our loss was quite larger i.e. more than Baht 132,000,000 and the claim was complex. For the past 9 months, the team at Insight Advice treated us as if we were their sole client. They invested an immeasurable amount of time and effort and at all times conducted themselves with extreme diligence and absolute integrity and professionalism. They took the time to learn and understand every aspect of our business. They then proceeded, as our advocate, to secure the settlement that we were entitled to under the terms of our policy. Without the assistance and guidance to these professionals, I am sure we would have never received a fair settlement.

Having gone through this experience, I am confident that no company should ever attempt to handle their own claim without the expertise of Insight Advice team. I would recommend Insight Advice Ltd, without any hesitation or reservation, to anyone faced with the task of filing, and attempting to collect on, an insurance claim. We could have paid far in excess of their fee and would still consider them to be one of the best business investments we have made.

Sincerely,
